How to Use

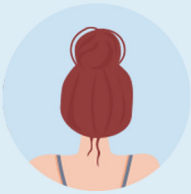

1. Open the package and remove the film.
2. Apply the mask to the desired area of your buttocks (or other body areas).
3. Leave the mask for 20–30 minutes then remove.

※ It can be also used on other body parts such as belly, breast, thighs and arms.

Isn't it difficult to attach alone?

After removing only 1/3 of the film with 2 sheets, peel off the film from the inside and stick it on to make it simple and easy to attach according to the shape of the buttocks.

Will my hips be the right size?

Made of stretchy fabric to fit the curves of your hips
It can be attached to fit various shapes and sizes without difficulty.

How long is the shelf life?

24 months from the date of manufacture.
